

Product Sync Notes

Marky turns one Markdown file into a PDF without a separate document editor.

Decisions

Area	Decision	Owner
Export	Use PDF for stakeholder reviews	Docs
Safety	Sanitize raw HTML by default	Platform
Builds	Preserve documentation paths	Tooling

Follow-ups

- ☒ Render a single Markdown file
- ☒ Keep existing PDFs safe unless `--force` is used
- ☐ Share the generated PDF with reviewers

Contact <https://example.com/review-notes> for the review plan.
